Hello Beth and Eugenia:

I will send out a summary of my notes and the action items (with due dates) today -- I'm glad that you forwarded this to me because for some reason I didn't receive Eugenia's e-mail below.

Len -- on the internal team meeting Ed Garvey also mentioned some data that MPI is to provide to HQI -- I ask about if date was set -- seems maybe not (don't know if budget is needed). Is this in your notes?

I think an "action item" email would be appropriate for these items -- is someone going to send this out? Hopefully that was decided at meeting but if not - someone needs to --

Thanks - beth

Len,
I noticed that at yesterday's meeting you took copious notes. Would you mind scanning your notes and sending them to me and cc Beth and Alice?
Thanks,
eugenia
